

J PUBLIC MEETING NOTICES AND ADVERTISEMENTS

As part of the public involvement program, DDOT conducted two public meetings and a public hearing to inform as well as solicit input from the general public on the proposed project. Numerous methods were employed to publicize the public meetings, including newspaper advertisements in The Current Newspapers and El Tiempo Latino Newspaper as well as announcements on both the project website and DDOT website. Postings were also made to the surrounding communities' and Advisory Neighborhood Commission's (ANC) listservs and announcements were mailed to adjacent property owners.

The meetings were conducted on the dates listed below. Copies of the associated announcements for each of the three meetings are provided on the following pages.

- Public Scoping Meeting – October 28, 2010
- Public Alternatives Meeting – December 2, 2010
- Public Hearing – June 29, 2011

(Washington, DC) The District Department of Transportation (DDOT) and the Federal Highway Administration (FHWA) are hosting a public hearing on Wednesday, June 29, 2011 to provide information and receive comments about the Oregon Avenue Environmental Assessment (EA).

The project involves the rehabilitation of Oregon Avenue between Military Road and Western Avenue, along the northwestern border of Rock Creek Park, to address current infrastructure deficiencies as well as community and safety concerns.

The EA for the rehabilitation of Oregon Avenue is in accordance with the National Environmental Policy Act (NEPA) and Section 106 of the National Historic Preservation Act. The EA evaluates the proposed improvements to the 1.7-mile section of roadway on Oregon Avenue and documents the alternatives considered, their potential impacts, costs and mitigations.

Maps, displays, and copies of the EA will be available at the public hearing. A presentation will be made at 6:30 pm and the opportunity for public testimony will begin at 7 pm. Both oral and written statements will be taken at the public hearing.
